

Proctor Script

Read the following instructions to your peers:

“Today you will be answering questions about your experiences at school. We’re doing this survey to learn from you about how we can make our school even better, so we want you to be honest when answering the questions.

Please keep in mind that there are no right or wrong answers to the questions.

It will probably take about 15 minutes to answer all of the questions, but use as much time as you need. If you have any questions, please raise your hand and I will assist you. Your answers to these questions are very important for our school, so take your time and answer honestly. Thanks for sharing your experiences.”
